F04 is a very basic Android phone and will easily suit anyone with normal usa
ge like call, texts, UPI, normal tasks. Gamers shouldn't consider this phone.
The battery lasts more than a day. Got Android 13 update. UI is very friendly
and easy to use with lots of handy features and shortcuts. Overall a descent
budget Android phone.READ MORE
Overall good smartphoneREAD MORE
Battery is 5volt and 1.55 amps so that charging time is up to 4 .00 hrs, this
is only 7.5 watts charger please don't encourage this productREAD MORE
Very good 😊 👍READ MORE
Excellent phone made in India morethen 5 start ratingREAD MORE
MOBILE ok but camera not goodREAD MORE
Product looks good but the case is of low quality. Display is blur and phone
gets heated very fast. Not really fast while scrolling and lags.READ MORE
Very good produt and thanks to flipkart teamREAD MORE
Phone is good if u compare to prizeREAD MORE

DescriptionWith the stunning features of the Samsung Galaxy F04 smartphone, discover what it means to have a flawless user experience. This smartphone's astonishing 8 GB of RAM makes multitasking a snap. Additionally, the unique RAM Plus technology intelligently enhances your memory by using your storage as virtual memory, enabling you to conveniently play graphically demanding games. The MTK P35 CPU in this phone also makes it simple for you to switch between programmes and sustain productivity. On this phone's amazing 16.55cm (6.5) HD+ display, you can enjoy your favourite content with theater-like quality and experience the characters spring to life in every frame.Read More
Product DescriptionUnmatched PerformanceWith an astounding 8 GB of RAM, the Samsung Galaxy F04 smartphone makes multitasking a breeze. Furthermore, an innovative RAM Plus technology intelligently expands your memory by leveraging your storage as virtual memory, letting you keep up with graphically intensive games.
Incredible DesignThis phone features a stylish gloss design that is sure to catch people's attention and enhance your persona wherever you go.
Futuristic MakeThis phone, which runs on the Android 12 OS, enables you to keep updated with the OS. Furthermore, you can easily enjoy the OS Upgrade twice.
Convenient MultitaskingThis phone's MTK P35 processor makes it simple for you to navigate between applications without difficulty and maintain productivity.
Powerful BatteryYou don't have to worry about battery life because this smartphone has a huge 5000 mAh battery. With a long-lasting battery, you can efficiently keep up your performance throughout the day.
Dazzling DisplayYou can watch your favourite content with theater-like clarity on this phone's stunning 16.55cm (6.5) HD+ display, and you can feel the characters come to life in every frame.
Fantastic ClicksThis smartphone sports a 13 MP+2 MP Rear Camera and a 5 MP front camera that allows you to capture mesmerising images in stunning detail.
Flawless SecurityThanks to the sophisticated Face Unlock feature adapted into this phone, you can enjoy stupendous security and experience unmatched privacy.

Superior Storage This phone boasts 64 GB storage that is expandable up to 1 TB, allowing you to store music albums, favourite flicks, and a plethora of your favourite pictures.
